

"We were very pleased with the outcome of the auction using BP. We had less guests and less auction items than in the past and yet raised more dollars. The guests enjoyed this new way of bidding and we felt it was part of the entertainment for the evening. We would definitely use you again and will be encouraging others in our network to try BP." - Laura J.

Better Ways to Auction

Onsite - Mobile - Web

What do we offer ?

"I believe that most of our bidding items sold for between 20-40% higher than what they would have sold for. I've been a part of our annual auction for the last several years and was very impressed with how much the items were selling for." - Alison G.

- Streamlined event process
- Proven & tailored technology
- Local and on-site support
- Competitive pricing
- Off-site live bidding

Better Ways to Auction

Onsite - Mobile - Web

"No glitches at all. There were a few people that accidentally bid on an item here or there, but Scott and VJ were quick to clear it up for them. I was incredibly impressed."
- Client

Why Use Technology ?

"I most definitely will be using them again next year. I really do stand behind their services." - Client

- Fast registration & check-out
- Fun & competitive guest bidding
- Automated invoicing (print or email)
- Increase giving for your passion
- Comprehensive reporting & review

Pre-event Process

“I believe that most of our bidding items sold for between 20-40% higher than what they would have sold for” – Alison G.

- Event consultation to determine event goals
- Customize Bid Partner features and report formats
- Decide if pre-bidding and off-site bidding will be used
- Site evaluation for technology & guest flow
- Easy data entry of guests and items online or forward an Excel sheet and we will import your data.
- Sponsor pictures formatted to give them a great image
- Volunteer training completed the day of event or before
- Final approval of bidding device, invoice format and event projector screens

Event Process

“ I have received several emails and phone calls from bidders and event attendees with accolades for Bid Partner. Your bidders will love them! “ - Client

- Setup wireless equipment, computers, and printers
- Train and coordinate the volunteers for all the functions of the event
- Professional staff will manage guest registration by optimizing our technology to collect credit card and guest information as specified
- Sponsors and real-time updates of amount raised and item status on the event projector screens
- Organize and assist with checkout, invoicing and item pickup to streamline the functions.
- End of event summary reports generated to assist in a fast and easy checkout and pickup process
